We are more than happy to do plated meals for large parties. Please understand that we will get your guests served as quickly as possible but plated meals do generally take longer to serve. We preset our salads, bread, and desserts unless otherwise instructed.

Our pricing for plated meals is based on everyone getting the same entrée item and sides. If you would like to offer a choice of entrees, there is a \$2 per person additional fee, all entrees must be ordered in advance, and there must be a system organized by the host and agreed to by Paradise staff that designates how entrees are to be served to the guests.
